Policy Statement

SGSCC is committed to providing a fair complaints and appeals process.

What is a complaint?

A complaint is generally negative feedback about services or staff which has not been resolved locally. A complaint may be received by SGSCC in any form and does not need to be formally documented by the complainant in order to be acted on. Complaints may be made by any person but are generally made by students and/or employers.
What is an appeal?
An appeal is an application by a student for reconsideration of an unfavourable decision or finding during training and/or assessment. An appeal must be made in writing and specify the particulars of the decision or finding in dispute. Appeals must be lodged within 28 days of the decision or finding is informed to the student.

Early resolution or complaints and appeals
In all cases, issues that arise during training and assessment that are the source of frustration or are in dispute should be resolved at the time they occur between the persons involved.

Relationship to continuous improvement
Frequently, the complaints and appeals handling process will expose weaknesses in the training and assessment system that can flow into the continuous improvement system as opportunities for improvement. This outcome of complaints and appeals handling is very positive and should be actively applied by all persons involved.

Procedure:

1. **Complaint and appeals handling**
   SGSCC undertakes to apply the following principles to its complaints and appeals handling:

   1.1. A written record of all complaints and appeals is to be kept by SGSCC including all details of lodgement, response and resolution by the Workskills Manager – Vocational Education and Business.

   1.2. A complainant or person lodging an appeal is to be provided an opportunity to formally present his or her case at no cost.

   1.3. Each complainant or person lodging an appeal may be accompanied and/or assisted by a support person at any relevant meeting.
1.4. The handling of a complaint or appeal is to commence within 14 working days of the lodgement of the complaint or appeal and all reasonable measures are taken to finalise the process as soon as practicable.

1.5. The complainant or person lodging an appeal is to be provided a written statement of the outcome, including details of the reasons for the outcome.

1.6. The complainant or person lodging an appeal is to have the opportunity for a person or a body that is independent of SGSCC to review his or her complaint or appeal following the internal SGSCC complaint or appeals process. It is noted that a review of findings by an independent person or body will generally only relate to the appeals process and is less likely to be required in complaints handling.

1.7. SGSCC shall maintain the enrolment of the complainant or person lodging an appeal during the complaint or appeals process.

1.8. Decisions or outcomes of the complaint or appeals process that find in the favour of the student shall be implemented immediately.

1.9. Complaints and appeals are to be handled in the strictest of confidence. No SGSCC representative is to disclose information to any person without the permission of St George & Sutherland Community College Principal. A decision to release information to third parties can only to be made after the complainant has given permission for this to occur by their completing the Information Release Form.

1.10. Complaints and appeals are to be considered on the basis of procedural fairness and lead to opportunities for improvement as a Continuous Improvement Report.
1.11. Students who are not satisfied with the complete complaint handling by SGSCC may refer their complaint to ASQA for consideration. Students are to be advised that registering bodies will require the student to have exhausted all avenues through SGSCC before taking this option. Please refer to the Complaint Handling Procedure for more information.

1.12. Appeals of assessment decisions are not able to be referred to ASQA and are to be determined by an approved independent body.

1.13. SGSCC considers that it would be extremely unlikely that complaints and appeals are not able to be resolved quickly within SGSCC its internal structures.

1.14. Where SGSCC considers that more than 60 calendar days are required to process and finalise the complaint or appeal, SGSCC:

1.14.1 Informs the complainant or appellant is writing, including reasons why more than 60 calendar days are required; and

1.14.2 will regularly update the complainant or appellant on the progress of the matter.

2. **Hearing of student difficulties or grievances**

   SGSCC is committed to providing a fair hearing of student difficulties or grievances.

   Should a student have a grievance the following procedure will apply:

2.1 If a student wishes to make a complaint and to discuss the process they may contact the SGSCC designated Consumer Protection Officer responsible for the overall administration of the Consumer Protection Policy:
2.2 If the student has a difficulty or complaint which they wish to discuss, they should first talk to their Trainer.

2.3 If this discussion does not satisfy the student, they should then talk to the WorkSkills Manager – Vocational Education & Business.

2.4 If the WorkSkills Manager – Vocational Education & Business is unable to help them with their difficulty or complaint, then the student should complete a Complaint form which formalises their complaint.

2.5 Upon receipt of lodgement of the grievance the student will be advised in writing of the outcome of their complaint within 10 working days this procedure must begin within 10 working days of the lodgement of their grievance. Students will be advised in writing of the outcome of their complaint and SGSCC will implement any decisions and/or corrective and preventative actions required. During this process, SGSCC will maintain the student’s enrolment whilst the grievance process is ongoing.

2.6 If the student wishes they may invite a witness to go with them for either language or moral support.

2.7 If this procedure is unsuccessful, then students are able to approach The Fair Trading Centre as an external agency, in order to have their unresolved financial grievances heard. Students are to be advised that they are able to formally present their case to this external agency with minimal or no cost to themselves.

2.8 All other disputes are to be dealt with by the Appeals Process, so that a suitable resolution to their complaint may be obtained. An appeal process begins when the student completes an Appeals form.

2.8 A decision will be made, recorded and acted upon. The college will implement any decision and/or corrective and preventative action required.

Appeals Handling Procedure

Applications by students for reconsideration of an unfavourable decision or finding are to be treated with the highest importance. An appeal must be made in writing and specify the particulars of the decision or finding in dispute. Appeals must be lodged within 14 days of when the decision or finding is communicated to the student. The following procedure is to be followed when an application for appeal is received:

4.1 A student appealing and assessment decisions is to be referred immediately to the Manager – Business & Vocational Training by completing the Appeals against Assessment Result in the Student Handbook. The Manager – Business & Vocational Training is to arrange for a re-assessment of the student as soon as possible. The student is also to be offered the opportunity to undertake additional training before this re-assessment. The reassessment is to be conducted by a different than conducted the initial assessment. The student may be offered up to 3 re-assessments.

4.2 If after the reassessment, the student remains not-yet-competent and is unsatisfied with the assessment outcome, the student is to meet with the Manager – Business & Vocational Training to discuss the assessment process and the assessment outcome.

4.3 If after consultation with the Manager – Business & Vocational Training, the student remains unsatisfied with the assessment process, the student is to be provided the Complaints and Appeals Form and the matter is to be dealt with in accordance with the complaint handling procedure.

4.4 If the student is seeking a refund of their tuition fees based on an unfavourable outcome, this may be considered by the Principal on its merits. If the Principal does not approve a refund and considers that St George & Sutherland Community College has dealt with the matter appropriately and has provided the student all reasonable opportunity to demonstrate their competence, the student is to be advised of the opportunity to refer the matter to the Office of Fair Trading in relation to their dispute over the requested refund.
4.5 Management Team to inform the applicant of the improvement actions identified.

4.6 The Complaints and Appeals Register is to be kept up to date at all times to accurately reflect how the matter was responded to and the duration from the date the appeal was received to the date the appeal was resolved.
